TUESDAY, JUNE 30TH AT 6:00PM

### **GEOLOGY OF THE SCHUYLKILL: PERSPECTIVE FROM THE RIVER**

This presentation will highlight features of geological and environmental interest from the perspective of a paddler traveling down the Schuylkill River from headwaters to tidewater.

**Presenter:** *Rob Kuhlman is an emeritus professor of Geology at Montgomery County Community College where he taught for 38 years. He has served on the Schuylkill River Greenways Board of Directors for a number of years. He is an active cyclist on the Schuylkill River Trail and longtime paddler of the river.*
