Meet us at Morlatton Village Trailhead

Stewardship Fund Campaign Kickoff Event

CONNECT

Engage with your trail and those who help care for it! Join us to learn about our new campaign and our maintenance issues on the SRT. We'll meet at Morlatton Village and then walk to the Douglassville Bridge to talk about our bridge debris removal project – a 0.3 mile walk. Park at the Morlatton SRT Trailhead.

MINGLE

We welcome you to stay and enjoy the trail. Chat with the SRG team and Trail Ambassadors. Bring your questions – we want to know your thoughts about trail stewardship! Refreshments will be available.

BIKE

Ride your bike to the event if you'd like! Choose your favorite trailhead to meet us at Morlatton Village. The Union Meadows West Trailhead is a 3.3 mile ride and the Pottstown Riverfront Park Trailhead is a 4.2 mile ride. Both have ample parking and lighted lots.
